

**DISCUSSION QUESTION FOR READ THROUGH THE BIBLE STUDY FOR 2/1/12**

- 1. What assuring promise does Paul provide amidst his discourse on the coming of the Antichrist (2 Thessalonians 2:8)?**
- 2. Whether or not we still inhabit planet earth when the events of 2 Thessalonians 2 occur, the promises of 2:13-17 belong to us in our Savior. How do these promises comfort you as you think about the troubles of the Last Day? As you consider the challenges of *this* day?**
- 3. How would apply Paul's words in I Timothy 1:15 to yourself?**
- 4. Of what does I Timothy 2:1-5 remind us about our God? About the way He wants us to live?**
- 5. The poem that includes chapter 3 of I Timothy may come from an early Christian hymn. Why might first-century Christians have chosen these details of Christ's service for us for inclusion in a credal hymn?**
- 6. Explain the connection between I Timothy 4:8 and verses 9-10.**
- 7. How well do we as a church or even as a society deal with Paul's advice to Timothy in I Timothy chapter 5? Where could we individually do better and what could we do to have our church as a whole before more informed about this and participate in dealing with these issues?**
